

RING OUT THE BELLS

Ring out the bells, rejoice and sing

in praises to the heavenly King.

The Son of God came from above,

to show the world a Saviour's love.

He chose a lowly, humble birth

to give rich blessings here on earth.

The Light to this dark World He came

oh, hallelujah, praise His Name.

The sky above with glory shone

as angels filled the heavens with song.

Proclaiming our dear Saviour's birth

that peace should come to men on earth.

With joy the shepherds made their way

to Bethlehem's manger where He lay.
With gifts the wise men journeyed far,
And guided by the radiant star.

Ring out the bells, rejoice and sing,
For he is now our coming King,
The Christ Child Whom we so adore,
Is now the Saviour ever more.

His precious blood takes sin away,
That He within our hearts can stay.
Our gifts of love and praise we bring
To Jesus, Lord, our Saviour King.
