

A GLORIOUS BIRTH

When Christ was born the heavens rang
With glory and with praise
Is it any wonder then
That we an anthem raise

We bless that happy morn
Although so long ago
Lord Jesus Christ was born
Now all mankind may know

God's love then was displayed
By reaching out to man
Sending Christ as Saviour
To fulfil redemptions plan

To be the perfect sacrifice
That took away all sin
Giving full forgiveness
To all who trust in Him

Follow now that baby born
With footsteps to the cross
Don't ignore the reason
Or you will suffer loss

Embrace all Christ came here to do
Don't let it be too late
Repentance true and trust in Him
Will open Heaven's gate

So let joy in at Christmas
Open up your heart
God's love will then fulfil you
And never more depart
